Wedding blessing and beach ceremony

the celebration

Cordelia and Caleb celebrated their wedding vows near the tranquil waters of Arabian Gulf, at Dubai Offshore Sailing Club. Having lived in Dubai for over 20 years, they had many friends who joined in the celebration of a new chapter in the lives.

her style

Before even stepping into our bridal boutique, our beautiful bride-to-be envisioned a dream wedding dress - one that would reflect her personality, confidence, and style, and do so spectacularly.

making of the wedding dress

At the first consultation, measurements were taken to determine body shape type. We made our recommendations of dress patterns that would compliment and flatter her figure. We then discussed design and other features of the wedding dress.

The final design was sketched by Lourdes, our Bridal-wear Consultant. .

the dream dress

This gorgeous dress with a fit and flare silhouette features v-neckline sheer bodice. A garden of floral applique is applied delicately and carefully to tell a beautiful story. The scooped neckline at the back has sheer detailing extending below the natural waistline. Feather appliqué have been applied to the skirt that flares beautifully to the floor followed by a lovely applique adorned chapel train.

Bridal accessories

The wedding dress was styled with a custom-made fascinator. Beautiful details were added to the wedding sandals for the beach wedding. Cordelia's name and date of wedding was embroidered to the lining of the dress.

It's all in the delicate, finer intricate details so beautifully hand stitched, adorning this wedding dress, truly a work of art, the kind of stuff dreams are made of!

Wedding decor

We love this gorgeous sea-inspired decor.

Alia Kilani from Alia Kilani Events styled this wedding with beautiful florals and beach themed decorations to make it a great coastal celebration.
